

## **Masergy Wins 2019 BIG Innovation Award for Secure Hybrid Networking with SD-WAN** *Solution recognized for secure connectivity and real-time analytics*

**DALLAS — Feb.7, 2019 —** [Masergy](#), a leading provider of [secure hybrid networking](#), [cloud communications](#) and [managed security](#) solutions, announced it has been named a winner in the [2019 BIG Innovation Awards](#) presented by the Business Intelligence Group. The company was recognized for [Secure Hybrid Networking with SD-WAN](#), a fully customizable solution that seamlessly integrates security and network capabilities.

“Masergy empowers businesses to achieve their digital ambitions,” said James Parker, CEO at Masergy. “Our Secure Hybrid Networking with SD-WAN lays the foundation for digital transformation with an agile, flexible network to meet high-growth demands, underpinned with real-time analytics and intelligent security that streamlines threat detection and mitigation.”

Masergy Secure Hybrid Networking combines key functions of the company's managed cybersecurity offering with their global software-defined networking platform to provide enterprises with secure, agile WAN connectivity.

“This year’s winners show just how deep a role innovation plays in nearly every aspect of business,” said Maria Jimenez, chief operating officer of the Business Intelligence Group. “We are thrilled to be honoring Masergy as they are leading by example and making real progress on improving the daily lives of so many.”

Organizations from across the globe submitted their recent innovations for consideration in the BIG Innovation Awards. Nominations were then judged by a select group of business leaders and executives who volunteer their time and expertise to score submissions.
