MASERGY'S SD-WAN PRO WINS 2017 SD-WAN EXCELLENCE AWARD

Company's Innovation Praised for Empowering Enterprises With Agile, Reliable and Application-Aware Solution

Dallas – October 16, 2017 – Masergy, a leading provider of hybrid networking, managed security and cloud communications solutions, today announced that TMC has awarded Masergy's SD-WAN Pro the 2017 INTERNET TELEPHONY SD-WAN Excellence Award. SD-WAN Pro has achieved its third 2017 award for enhancing network designs that drive application performance and security while increasing price-performance optimization.

"Whether companies are looking to enhance application performance with dynamic application-based routing or quickly turn up new offices, Masergy designs the best networking solution based on each customer's specifications," said Tim Naramore, CTO, Masergy. "We are proud our SD-WAN solutions have been embraced so quickly by customers and honored that TMC has recognized them as innovative among other offerings."

Masergy SD-WAN brings increased flexibility and agility to organizations by enabling hybrid wide WAN designs. As a fully managed service, Masergy handles all design, deployment, maintenance, and ongoing 24/7/365 monitoring of the SD-WAN solutions.

Additional 2017 SD-WAN awards won by Masergy include:
● 2017 Big Innovation Award
● 2017 Visionary Spotlight Award

"Congratulations to Masergy for receiving a 2017 INTERNET TELEPHONY SD-WAN Excellence Award," said Rich Tehrani, CEO, TMC. "SD-WAN Pro has demonstrated true innovation and is leading the way for Software Defined Wide Area Networks. I look forward to continued excellence from Masergy in 2017 and beyond."
