

Masergy Earns Spot on CRN's 2018 Solution Provider 500 List

Company stands out with industry-leading customer service and retention

DALLAS – Nov 12, 2018 – [Masergy](#), a leading provider of [secure hybrid networking](#), [cloud communications](#) and [managed security](#) solutions, was named to the 2018 Solution Provider 500 list by [CRN](#), a brand of [The Channel Company](#). The list is CRN's annual ranking of the largest technology integrators, solution providers and IT consultants in North America by revenue.

“Our channel program is an important aspect of our business, and being included among top solution providers validates our ongoing commitment to forging strong partnerships that last,” said John Dumbleton, senior vice president of business development, Masergy. “We look forward to expanding our channel community to ensure customers receive agile, customized, and secure solutions to help them gain market share and outperform their competition.”

The Solution Provider 500 is CRN's predominant channel partner award list, serving as the industry standard for recognition of the most successful solution provider companies in the channel since 1995.

“CRN's Solution Provider 500 list spotlights the North American IT channel partner organizations that have earned the highest revenue over the past year, providing a valuable resource to vendors looking for top solution providers to partner with,” said Bob Skelley, CEO, The Channel Company. “The companies on this year's list represent an incredible, combined revenue of \$320 billion, a sum that attests to their success in staying ahead of rapidly changing market demands. We extend our sincerest congratulations to each of these top-performing solution providers and look forward to their future pursuits and successes.”

Masergy supports value-added resellers, system integrators, consultants and IT solution providers through its [Global Partner Program](#), combined with superior customer service validated by an industry-leading [Net Promoter Score](#) (NPS) of 71.
