

**MASERGY'S SD-WAN SOLUTIONS WIN STEVIE® AWARD FOR PROVIDING  
UNPARALLELED BUSINESS AGILITY TO GLOBAL ENTERPRISES**

***Company's SD-WAN Pro and SD-WAN Go Continue to Deliver Unprecedented  
Application Performance, Cost Savings, and Flexible Connectivity for Enterprises***

**Dallas – October 23, 2017** – [Masergy](#), a leading provider of [global software defined networking](#), [managed security](#) and [cloud communications](#) solutions, announced its [SD-WAN Pro and SD-WAN Go](#) solutions received a Stevie Award in the Telecommunications/Services category in the 14<sup>th</sup> Annual International Business Awards.

The International Business Awards are the world's premier business awards program. A record total of more than 3,900 nominations from organizations of all sizes and in virtually every industry were submitted this year for consideration in a wide range of categories. Masergy's SD-WAN Pro and SD-WAN Go impressed judges with a new approach to network connectivity that combines high performance, security, and data integrity--without locking customers into a single-vendor solution.

"The IBA judges from across the world were highly impressed with the nominations they reviewed this year. With the level of achievement documented in the nominations from 60 nations, the Stevie Awards are proud to honor organizations that demonstrate a high level of achievement in a variety of industries," said Michael Gallagher, president and founder of the Stevie Awards. "We look forward to sharing many of these stories with people around the world over the coming months, through the Stevie Awards blog and social media channels, with the hope to inspire others to high achievement."

Masergy's SD-WAN Pro and SD-WAN Go solutions give customers two options to address any budget and connectivity requirement while offering seamless integration with the company's [Hybrid Networking](#) solutions. In addition, the award-winning SD-WAN Pro and SD-WAN Go provide:

- Zero-touch provisioning
- Application-based routing
- Automatic IP-VPN tunnels with AES 256 encryption
- Centralized policy and configuration management
- WAN optimization options

“Masergy's SD-WAN Pro and SD-WAN Go represent a new breed of hybrid networking, offering customers the choices that deliver cost-effective and secure solutions,” said Masergy CTO Tim Naramore. “We are proud our innovations are simplifying networking with more choices and honored to be included by Stevie Awards within The 14<sup>th</sup> Annual International Business Awards.”
