

Masergy Receives 2015 Unified Communications Product of the Year Award

Masergy Unified-Communications-as-a-Service Honored for Exceptional Innovation

DALLAS – March 18, 2015 – [Masergy Communications Inc.](#), a global leader in managed networking and cloud services, announced today that [TMC](#), a leading global, integrated media company, has named the company's [Unified Communications-as-a-Service](#) (UCaaS) as a 2015 Unified Communications Product of the Year Award winner.

Masergy UCaaS provides an all-in-one business communications service – connecting information, people and resources anywhere, anytime. Through an extensible, highly scalable IP communications infrastructure, the company offers a redundant carrier-grade platform for voice, video and mobile communications for a wide range of enterprises and multi-location organizations, backed by comprehensive 24/7 client support.

"We are proud that Masergy's UCaaS solution continues to be the business service of choice for enterprises seeking robust, cost-effective communications," said Dean Manzoori, UCaaS VP, Masergy. "We're committed to continue to introduce new communications tools to enhance customer experience and increase user productivity."

The UCaaS carrier-grade platform is also integrated with the company's managed cloud network to provide enterprises with a total business communications solution.

Additional services include:

- Hosted VoIP — Business grade, feature rich, HD voice, and cloud-based
- Unified Messaging — One inbox for voicemail/email/fax, voicemail transcription
- Instant Messaging — IM integration with office telephones, PCs and mobile devices
- Presence — Real-time status of team members
- Video Calling — Video calls with exceptional clarity and reliability

- Audio/Video Conferencing — Conference Bridge for pre-scheduled and ad hoc meetings
- Mobility — Seamless, consistent communication across all devices regardless of location
- SIP Trunking — Robust migration path as a hybrid solution with existing systems

“It gives me great pleasure to honor Masergy as a 2015 recipient of TMC’s Unified Communications Product of the Year Award for their innovative UCaaS solution,” said [Rich Tehrani](#), CEO, TMC. “Our judges were very impressed with the ingenuity and excellence displayed by Masergy in their groundbreaking work.”

Winners of the 2015 Unified Communications Product of the Year Award will be published in the March 2015 edition of [INTERNET TELEPHONY magazine](#).

Masergy's UCaaS continues to receive numerous industry awards including:

- 2015 INTERNET TELEPHONY Product of the Year
- 2014 Cloud Computing Excellence Award
- 2014 Internet Telephony Excellence Award
- 2014 Unified Communications Product of the Year Award
