

MASERGY AMONG THE INC. 5000 FASTEST-GROWING PRIVATE COMPANIES

Market-Leading Innovation and Extraordinary Customer Focus Keeps Masergy on Prestigious List

Dallas – August 18, 2015 – Masergy Communications Inc., a global leader in [managed networking and cloud services](#), today announced that it has been included the 34th annual [Inc. 5000](#) list of the nation’s fastest-growing private companies. Masergy has repeatedly made the Inc. 5000 list due to its notable year-over-year revenue growth and entrepreneurial leadership.

“Masergy is honored to be recognized by the Inc. 5000 for the fourth time,” says Chris MacFarland, Masergy CEO. “Masergy, with annual revenues in excess of \$250M, is among the 3% of the Inc. 5000 that have realized rapid growth at significant scale. Our growth is driven by our ability to help enterprises transform their IT operations with innovative and award-winning technologies, including Software Defined Networking and machine learning security solutions.”

The 2015 Inc. 5000 companies are the most competitive crop in the list’s history, with the average business achieving a three-year growth rate of 490%. The Inc. 5000’s aggregate revenue is \$205 billion, generating 647,000 jobs over the past three years.

“The story of this year’s Inc. 5000 is one of great leadership. In an incredibly competitive business landscape, it takes something extraordinary to take your company to the top,” says Inc. President and Editor-In-Chief Eric Schurenberg.

Mr. MacFarland’s achievements were recently recently honored with the [Ernst & Young Entrepreneur Of The Year Award](#) for the Southwest region.
