

MASERGY AMONG FASTEST GROWING TECH COMPANIES IN NORTH TEXAS

Masergy Makes the Prestigious MTBC List for Third Consecutive Year

Dallas — August 27, 2015 — Masergy Communications Inc., a global leader in [managed networking and cloud services](#), announced today that the Metroplex Technology Business Council has named it as one of the fastest growing technology companies in northern Texas. Masergy has experienced a 67 percent increase in revenue over the past three years.

“I am proud that our talented employees possess the drive to produce the most innovative communication solutions the industry has to offer,” said Chris MacFarland, Masergy CEO. “North Texas continues to provide our organization with the ideal location for our continued prosperity.”

MTBC also credits Mr. MacFarland, under whose leadership the company has evolved into a world-renowned provider of managed networking, advanced security and cloud unified communication services. In addition, MacFarland has created a culture of award-winning customer service. Masergy recently achieved an industry-best Net Promoter Score of 67.

Bill Sproull, president and CEO of MTBC, credits Masergy with contributing to an exciting technology community, “Fast growing companies are what makes our technology industry so vibrant.” The Fast Tech Awards have been honoring the fastest growing technology, media, telecommunications, life sciences and clean technology companies in the Dallas-Fort Worth Metroplex for the past 15 years.
