

**MASERGY'S UNIFIED COMMUNICATIONS AS A SERVICE (UCaaS) RECEIVES 2016  
INTERNET TELEPHONY HOSTED VOIP EXCELLENCE AWARD**

***Masergy's Global UCaaS Continues to be Validated as  
Industry's Best Hosted VoIP Option***

**DALLAS – October 14, 2016** – [Masergy Communications Inc.](#) today announced that its [Global UCaaS](#) offering has been named an *INTERNET TELEPHONY* Hosted VoIP Excellence Award winner for 2016. The company's UCaaS solution continues to dominate the hosted VoIP market with innovative features such as its [UCaaS Analyst](#), integration with Skype for Business, [WebRTC](#) technology and user-customizable dashboards.

"Congratulations to Masergy for being honored with an *INTERNET TELEPHONY* Hosted VoIP Excellence Award for innovation in IP communications. Masergy has consistently demonstrated outstanding quality and has delivered exceptional solutions for its customers," stated [Rich Tehrani](#), CEO, TMC.

The company's award-winning UCaaS enables global enterprises to operate all of their domestic and international locations with a unified dialing plan over a single call platform. This allows companies to simplify communications with a ubiquitous, cloud-based system that addresses all user and service profile management activities, call setup and call routing around the globe.

"Masergy continues to raise the bar for carrier-grade voice, video and mobility communications," said Dean Manzoori, Vice President of Product Management for UCaaS, Masergy. "We are proud to continually be validated as a leading provider for all-in-one business communications services."

In addition, Masergy [announced earlier this year](#) enhancements to its UCaaS Analyst performance monitoring portal. The new features include a consolidated view of user profiles and service inventory reports. IT professionals have a detailed view of user types, the services, and devices they are using and profile status.

The 2016 Internet Telephony Award is the latest Global UCaaS accolade to accompany additional awards, including:

- INTERNET TELEPHONY magazine's 2015 Unified Communications Excellence Award
- TMC's 2015 Communications Solutions Product of the Year Award for UCaaS Analyst
- 2015 INTERNET TELEPHONY Product of the Year for UCaaS
