

DALLAS BUSINESS JOURNAL NAMES MASERGY TO 50 FASTEST-GROWING COMPANY LIST FOR A SECOND CONSECUTIVE YEAR

Company Continues to Change the Face of Global Communications with Innovative Technology

DALLAS – June 21, 2017 – [Masergy](#) today announced that it has been named to the Middle Market 50 list by the Dallas Business Journal. Masergy continues to be listed among the region’s largest public and private companies for its continued innovations that help global enterprises transform their businesses with [hybrid networking](#), [cloud communications](#) and [managed security](#) offerings.

This third annual research project of the Dallas Business Journal ranks the fastest-growing companies in Dallas-Fort Worth with annual revenue of \$25 million to \$750 million, based on revenue growth over a three-year period.

Once again, Masergy was a clear choice for the Dallas Business Journal as they evaluated Information Technology and Services category submissions from regional companies. Over the course of 2016, Masergy accomplished approximately 20% growth on revenue, a 30% growth in staff and received a market valuation of close to \$1B. The exceptional growth is due to the company’s services delivered over the largest independent [Software Defined Platform](#), purpose built for agile communications and reducing the hardware overhead and red tape often associated with legacy network offerings.

“The Dallas-Fort Worth area provides one of the country’s most educated and talented workforces, that continues to propel Masergy to new growth levels,” said Chris MacFarland, CEO, Masergy. “We are grateful to our dedicated staff that continues to produce ground-breaking innovations.”
