These distinguished award winners succeed by deeply collaborating with Masergy to deliver transformative SD-WAN, security, and unified communications solutions for companies of all sizes. The recently announced Zenith Program empowers partners with differentiated SD-WAN, UCaaS, CCaaS and Managed Security solutions alongside an industry-leading client experience.

“Congratulations to each of our top performers, and thank you for your partnership. Channel partners are a significant part of our overall growth strategy, and our sustained momentum is a testament to the outstanding companies and people in our Zenith Program,” said Jim Glackin, SVP, global channel. “As a partner-first company, Masergy is deepening our commitment to the channel. We’re excited to give partners the recognition they deserve and further enable our long-term shared success.”

“We are honored to be recognized by Masergy for leading in total sales, SD-WAN sales, and UCaaS sales this year,” said Paul Constantine, executive vice president, supplier services at

Intelisys, a ScanSource company. “We are grateful for our ongoing partnership with Masergy, and this year’s recognitions are a testament to the value Masergy’s UCaaS and SD-WAN solutions bring to not only our partner community but the global businesses we serve. Intelisys partners appreciate innovative programs that enhance their solution offerings, and it is evident that Masergy’s renewed effort to embrace the channel and our agent community has been well received.”

“As trusted advisors, the entire value proposition of Behind Every Cloud is to recommend to our mostly financial services clients a selection of best-of-breed vendors that we *know* will meet and exceed their specific needs. Masergy operates the best global WAN/SDN solution available in the market—period,” said Ray Bricknell, managing director, Behind Every Cloud Ltd. “Their expanded and recently announced SD-WAN portfolio propels Masergy to the forefront of the world’s managed SD-WAN market, and when combined with their equally excellent UCaaS/SIP offering, they present a great ‘one-stop-shop’ option for our very selective client base.”
