

Masergy Awarded 2021 INTERNET TELEPHONY SD-WAN Product of the Year Award

Managed SD-WAN Secure recognized for exceptional innovation

DALLAS — **March 29, 2021** — Masergy, the software-defined network and cloud platform for the digital enterprise, announced today that [TMC](#), a global, integrated media company, has [awarded Masergy's Managed SD-WAN Secure](#) a 2021 INTERNET TELEPHONY SD-WAN Product of the Year Award. This is the second year in a row Masergy has won this award. In January, Masergy was awarded the [2021 TMCnet Remote Work Pioneer Award](#).

“Masergy is honored to be recognized as having the most innovative SD-WAN solution,” said Terry Traina, CIO, Masergy. “At a time when companies are embracing innovative technologies in order to thrive, executives recognize that their IT infrastructure is the engine for digital transformation. As a 20-year pioneer in software-defined networking, Masergy is a proven partner in helping companies of all sizes Transform with CertaintySM.”

The INTERNET TELEPHONY SD-WAN Product of the Year Awards are bestowed upon companies that demonstrate the innovation, vision, and execution to deliver software-based networking tools driving the upward market trajectory of SD-WAN. Adoption rates have been rising rapidly, and Masergy is experiencing its [best year in company history](#) with record-breaking sales growth. SD-WAN cloud networking bookings are up 110%, and half of all new sales include cloud communications services.

IT decision makers are flocking to Masergy's SD-WAN solutions because they recognize the value they bring in ensuring their business continuity and enabling today's distributed and hybrid workforce. Over the past year, Masergy's SD-WAN portfolio was expanded to include:

- [Work From Anywhere solutions](#)
- [SASE solutions](#) as well as [endpoint detection and response](#)
- The [broadest flexibility and choice](#) with [co-managed SD-WAN](#), [over-the-top SD-WAN](#), and [bring-your-own connectivity options](#)
- [Unified Communications as a Service with Cisco Webex](#)

“Congratulations to Masergy for receiving a 2021 INTERNET TELEPHONY SD-WAN Product of the Year Award,” said [Rich Tehrani](#), CEO, TMC. “Managed SD-WAN Secure has demonstrated true innovation and is leading the way for Software-Defined Wide Area Networking. I look forward to continued excellence from Masergy in 2021 and beyond.”
