

## Fax Terminal Adapter (FTA) for Fax Line

The Masergy Fax Terminal Adapter (FTA) is easy to deploy, because the firmware is preinstalled and preconfigured. The Masergy Fax Line service works with any analog fax machine or multi-function printer.

The Masergy FTA rear view includes the following ports:

Ports from left to right:

1. Power port.
2. Phone port for fax machine or multi-function printer port.
3. Ethernet or LAN port.

How to install the unit:

1. Connect a standard touch-tone analog fax machine to a phone port.
2. Insert one end of the Ethernet cable into the LAN/WAN port of the FTA, and connect the other end of the Ethernet cable to our LAN/WAN port on wall.
3. Insert the power adapter and connect it to an electrical outlet.
4. Unit will proceed to go through its power cycle.
