

Poly CCX 500 IP Phone

Standard Business Media Phone

Product Sheet: UCaaS

Simple. Intuitive. Powerful.

Meet the new standard in desktop touch screen phones. The Poly CCX 500 Business Media Phone has workers feeling confident they'll sound professional on every call. No word or inflection is missed, thanks to legendary audio quality, Poly HD Voice, and Poly Acoustic Clarity. And let's hear it for Poly Acoustic Fence. It eliminates background noise to keep calls quiet wherever it's noisy—like open offices and call centers.

More options, more happiness.

By design, the phone is simple and intuitive to use—with one-touch-access to your contacts. So users can get right to work. Robust provisioning and management capabilities take the headache out of telephony deployment and support.

Looking for usability options? You got it. Choose a headset or handset.

Features

- Color touchscreen operation with 5-inch multi-touch LCD display
- Hear every nuance with Poly HD Voice and Poly Acoustic Clarity
- Eliminate distracting background noise with Poly Acoustic Fence
- Full duplex speakerphone operation with world-class echo cancellation
- Powerful chipsets to support next-generation features
- Headset options to suit any style (Bluetooth®, USB, RJ9)

Benefits

- Conversations stay on track. Hear every nuance with the industry-leading sound quality, featuring Poly HD Voice.
- Multiple headset options are available to suit any worker's style—in addition to the traditional handset
- Easy for IT to manage with robust provisioning and management of telephony deployment and support
